

Attention all 9th-12th Grade Social Science Students - A

Letter to you from Ms. Cole

Good Morning Students,

I hope this correspondence finds you safe, healthy, and having enjoyed your 'Spring Break'. Please continue to keep somewhat of a structure at home, allowing a set time daily for your studies. Remember to include at least 30 minutes of physical activity and 30 minutes of reading each day!

Some updates about your assignments: On March 18th, I assigned to students in World History, AP US History, and Economics, enough work to take you through the end of April. ALL assignments are due to me (via email or text- simply take pictures of all pages and attach/send) on April 30th. You will receive new material for the month of May on Friday, May 1st. Again, it is important that you work diligently on these assignments so that you're not inundated with work during the last few days. All assignments will affect your grade. I am documenting all work turned in, however, you may not see grade updates in Aeries for a few weeks.

Reminders about your EXTRA CREDIT opportunities:

- 1.IXL- Work on Social Science IXL courses. Begin with second grade (review) and work your way up through 8th grade! I will monitor progress and assign extra credit as you complete the grade levels.
- 2.FOREIGN LANGUAGE- Download a language app (like Babel, Busuu, or Duolingo) and begin learning a new language. Verify with me when you start and please update me weekly with your progress.
- 3.JIGSAW PUZZLE- purchase a jigsaw puzzle with at least 500 pieces. Complete and glue together to bring in for my classroom wall- the puzzle must represent a real place or be historical in some way (i.e. skyline of NYC, the Taj Mahal, American Revolution, etc.)

You are always welcome to call/text/email me regarding assignments!
