

YUBA CITY CHARTER SCHOOL

April 19th, 2021

Pre-registration for Yuba City Charter School concluded April 9th, 2021.

Open enrollment begins April 19th and will continue through May 7th. All students enrolling between April 19th and May 7th will go into the lottery pool.

On May 11th, the names will be drawn from the lottery pool to fill any remaining seats that were still available after the pre-enrollment period.

For any class that requires a lottery, students that are not selected in the lottery will automatically be placed on the pool waiting list until openings for that class become available.

Incomplete applications for enrollments cannot be re-enrolled, enrolled, or added to the lottery pool until the applications are complete and all required documentation has been provided.

NO Student can be enrolled with an incomplete application.

Thank you for your support and cooperation.
